To the Trustees of National Pension System Trust

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of NPS Trust Account SBI Pension Fund Scheme E Tier I Under the National Pension System Trust ("the Scheme"), managed by SBI Pension Fund Pvt. Ltd. ("the PFM") which comprise the balance sheet as at March 31, 2019, and the Revenue Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by Schedule VII of Pension Fund Regulatory and Development Authority (Pension Fund) Regulation, 2015 ("the Regulations") and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Scheme as at March 31, 2019, and surplus of the Scheme for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the PFM in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Without modifying our opinion, we invite attention to the following:

As stated in note no. 11.5 of the financial statements, Rs. 2,14,24,922.28 is lying with Trustee Bank as on March 31, 2019 (Previous Year: Rs.16,95,59,362.68) the units in respect of which have been allotted in the next financial year on receipt of funds by the PFM. Accordingly, the subscription received pending allotment as well as balances with bank are understated by the said amount.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The management of the PFM is responsible for the preparation of these financial statements that give a scheme-wise true and fair view of the financial position and financial performance of the Scheme in accordance with the accounting principles generally accepted in India including the accounting Standards specified under section 133 of the Companies Act 2013, the Regulations, Pension Fund Regulatory and Development Authority (PFRDA) Guidelines and the Investment Management Agreement (IMA) executed with the NPS Trust. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the aforesaid rules and regulation for safeguarding of the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The management of the PFM are also responsible for overseeing the Scheme's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the operating effectiveness of the Fund's internal controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Funds ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Regulations, we report that:

- a) We have obtained all information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.
- b) The Balance Sheet and Revenue account are in agreement with the books of account of the Scheme.
- c) In our opinion, proper books of account of the Scheme, as required by the PFRDA have been maintained, so far as appears from our examination of those books.
- d) All transaction expenses in excess of the limits (if any) contractually agreed to/approved by PFRDA are borne by the Fund and are not charged to the Net Assets Value.
- e) In our opinion the Balance sheet and Revenue Account of the Scheme dealt with by this report comply with the Regulations and the Accounting Standards notified under the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

We further certify that:

- a) Investments have been valued in accordance with the guidelines issued by PFRDA except as disclosed in note no. 1.5.6 to the financial statements. The impact of such deviation in valuation from the guidelines issued by PFRDA has not been computed by the PFM.
- b) Transaction and claims/fees raised by different entities are in accordance with the prescribed fee.
